

### **CONCRETE TRUCK DRIVER**

Atlas Concrete is the complete and down-to-earth local supplier, building its business on relationships and maintaining a consistent and reliable supply of concrete to Auckland's ongoing growth.

We are looking for a concrete truck driver to be part of our team for the delivery of ready mixed concrete to West Auckland from our Kumeu Depot.

The successful applicant will need to work well with others and communicate effectively with customers and despatch office and any other Atlas depots as required.

While concrete or tipping experience is preferred, having previous building/construction knowledge would be an advantage. Applicants must have a clean driving record, minimum class 4 and be familiar with a road ranger gearbox.

We are looking to fill this role ASAP - so if you have the right experience, can pass a drug screen and want to know more, apply today!
