

We are looking for a concrete truck driver to be part of our team for the delivery of ready mixed concrete from our Takapuna Depot.

The successful applicant will need to work well with others and communicate effectively with customers and despatch office and any other Atlas depots as required.

While road ranger experience is preferred it is not essential as training will be given. Applicants must have a clean driving record, minimum class 4, and pass a drug screen.

We are looking to fill this role ASAP - so if you have the right experience and want to know more, apply today!

Applicants for this position should have NZ residency or a valid NZ work visa.
