FreightLink has been operating for over 25 years and is the largest freight provider to the island performing multiple services. These aren't your mundane transport runs. The routes we have will see you head over to the popular holiday spot of Waiheke Island on a regular basis.

In preparation for the peak season FreightLink are seeking two Class 4 Drivers.

Key accountabilities include:

- Driving a range of units from Class 2 to 4
- Auckland metro pickups and Waiheke deliveries
- Reversing onto vessels
- Coupling and uncoupling trailers
- Navigating narrow roads and confined areas
- Vehicle loading and unloading

To be successful in the role you will need to have the following skills, qualifications and experience:

- Minimum of 2 years Class 4 driving experience
- Good knowledge of Auckland Metro
- Dangerous Goods and forklift endorsement
- Physically fit
- Sound understanding of log book regulations

- Clean record, good communication skills, presentable and a team player

There is a minimum number of 40 hours per week however there is a requirement to work additional hours during peak times, including summer.

Start times can vary from 1am to 6am, Monday to Friday, with finish times varying from 1pm to 6pm dependent on the freight run.

We offer a competitive package including medical insurance, a uniform and travel privileges.

**If you are interested in applying for this role please submit your CV and a cover letter, specifically addressing the above skills and experience, to [recruitment@sealink.co.nz](mailto:recruitment@sealink.co.nz)**
